Windspeeds: Three readings per race are recommended:

1. once shortly after the starting sequences are finished
2. once approximately mid-race
3. and a final reading just as boats begin the final leg.

Example: 10-14-13 kts

Finishes: (mark the sail #, and watch time as each boat finishes)

Example:

#283 - 12:32:26

#308 -12:34:10
