Hobie Cat sailing is a great sport and fun activity for you and your whole family. Sailing is very affordable and easier to learn than it looks. Our **Come Sail With Us Day** will give you the opportunity to take one for a “test drive” with an experienced skipper. If you haven't sailed before no problem, its your chance to try one of these great sailboats or other Hobie kayaks or paddle boards! You're welcome to bring a friend or two, let us know by RSVP by June 19th.

We'll start at 11am with a brief overview of Hobie Cat sail boating and other crafts co-hosted by [Boat Works-LTD](#). We'll then team you up with an experienced Hobie skipper who will give you further basic instructions and answer questions. Please be our guest for a picnic lunch, hot dogs and hamburgers at noon. After lunch we'll suit you up with a PFD and set out from shore as crew with your qualified skipper for a great ride on beautiful Oneida Lake. You'll also get to try out the other Hobie water crafts, kayaks and paddle boards displayed at the CNY Boat Show.
